TWENTY-EIGHT

STEAKHOUSE

MENU

BONIFACIO GLOBAL CITY, TAGUIG

TWENTY-EIGHT

Twenty-eight days. That is how long it takes for good beef to become great: still, cold, quiet, patient.

We don’t rush the beef, so we never rush you.

Every steak we serve has waited for this moment, and so has your table.

Every steak lists its age.

PATIENCE

Good things take time, in the ageing room and at the table.

CRAFT

Every cut is aged, trimmed and seared by hand.

HONESTY

The menu tells you how many days each steak has aged. Nothing is hidden.

GATHERING

A long wait deserves a long dinner. Guests are never hurried.
